

Deleting Elements in Build Mode

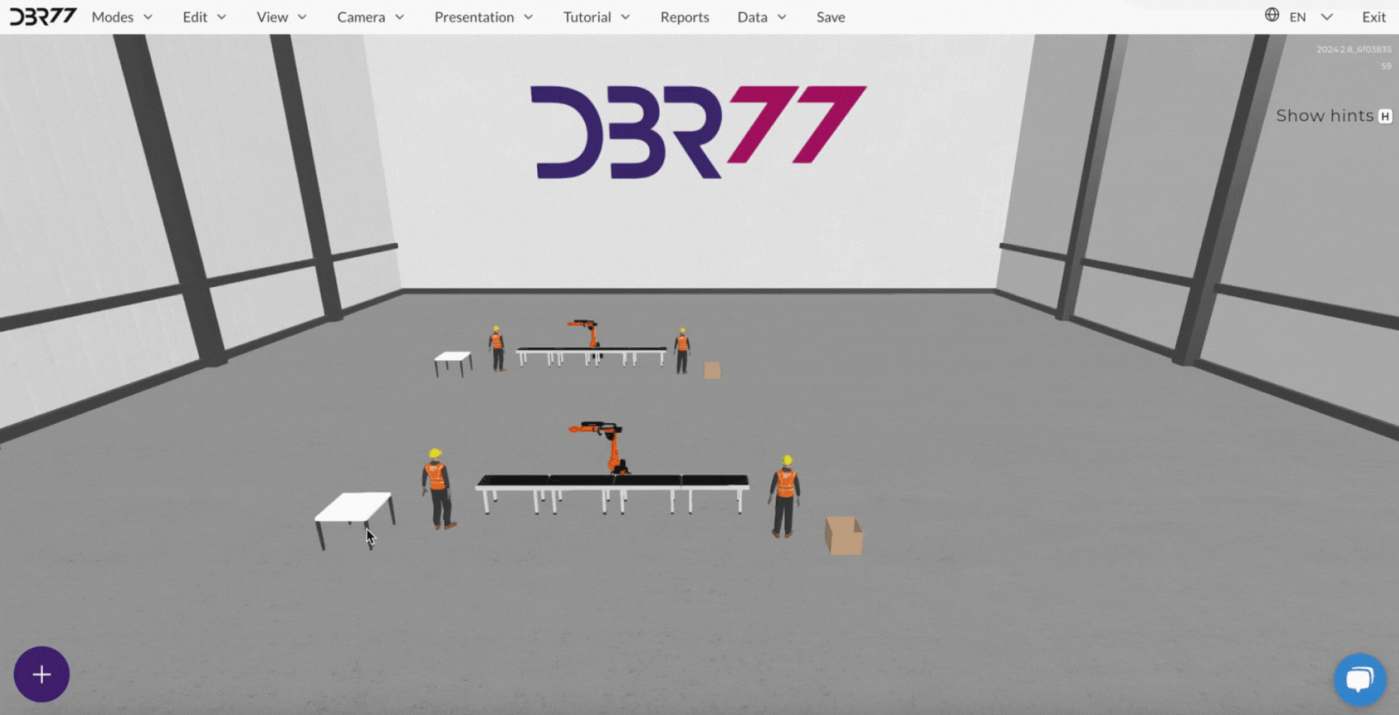

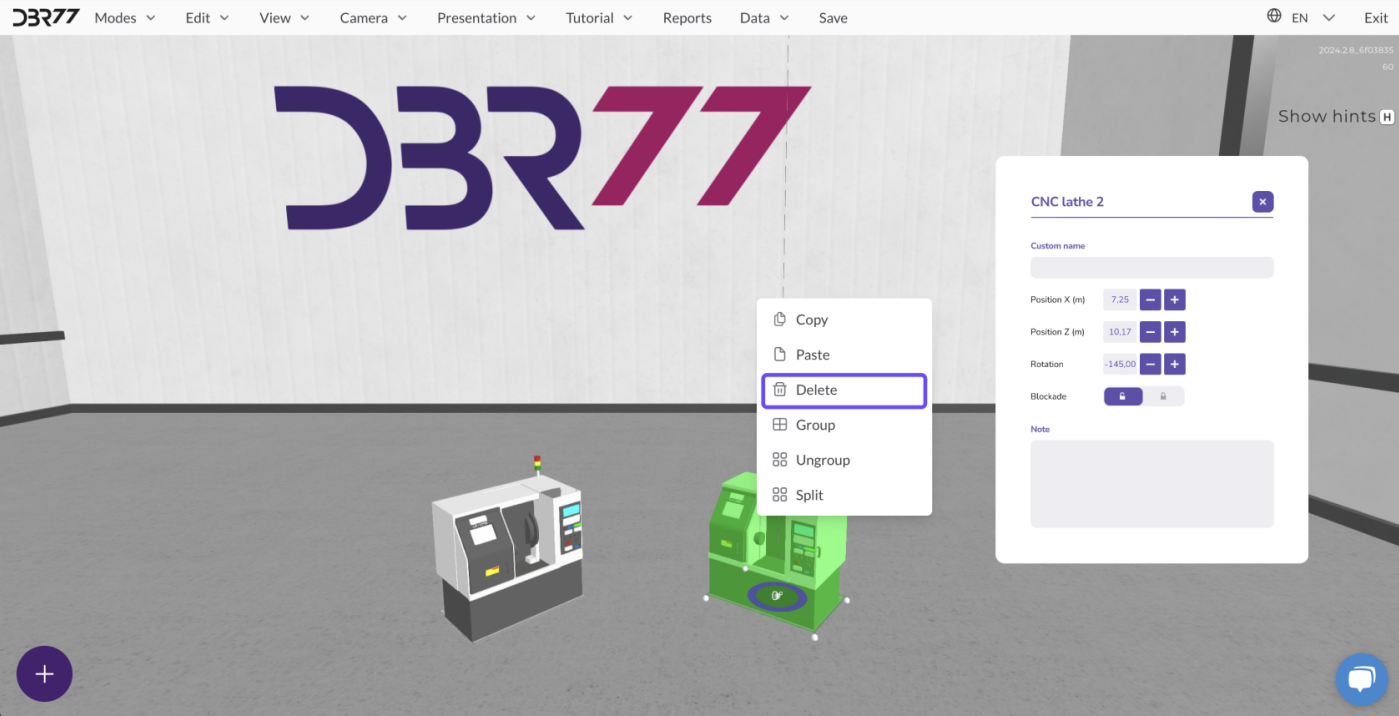

Follow these steps to delete elements from the scene:

1. Select Elements

- Click on the desired elements with the **left mouse button** to select them. You can:
 - Select elements individually by clicking on each one.
 - Drag the mouse to draw a selection box around multiple elements in an area.
-

2. Delete Selected Elements

- **Right-Click Method:**
 - After selecting, double right-click and choose the "**Delete**" option from the context menu.
- **Keyboard Shortcut:**
 - On Windows, press the **Delete** key on your keyboard to remove the selected elements.
