

Digital Twin Details

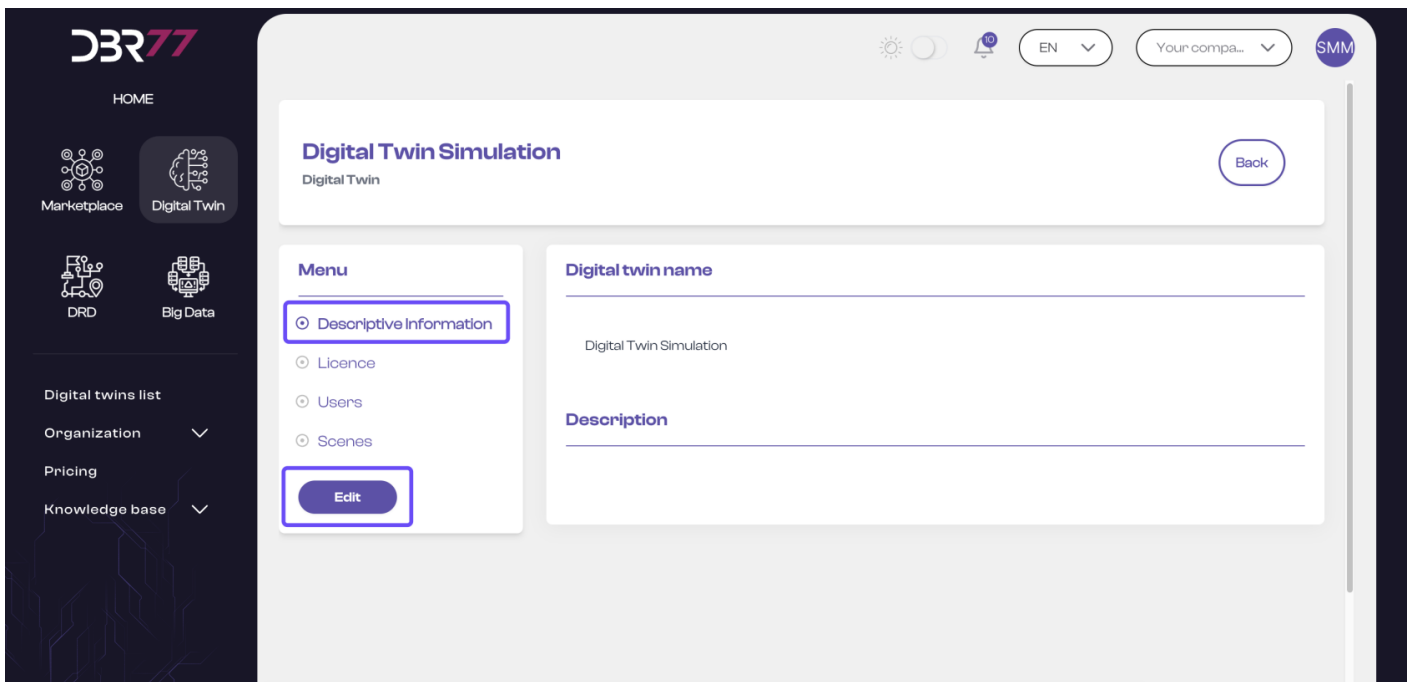

To view the details of your subscription, click "Details" on the desired tile.

In managing your Digital Twin, you can view and edit the following elements:

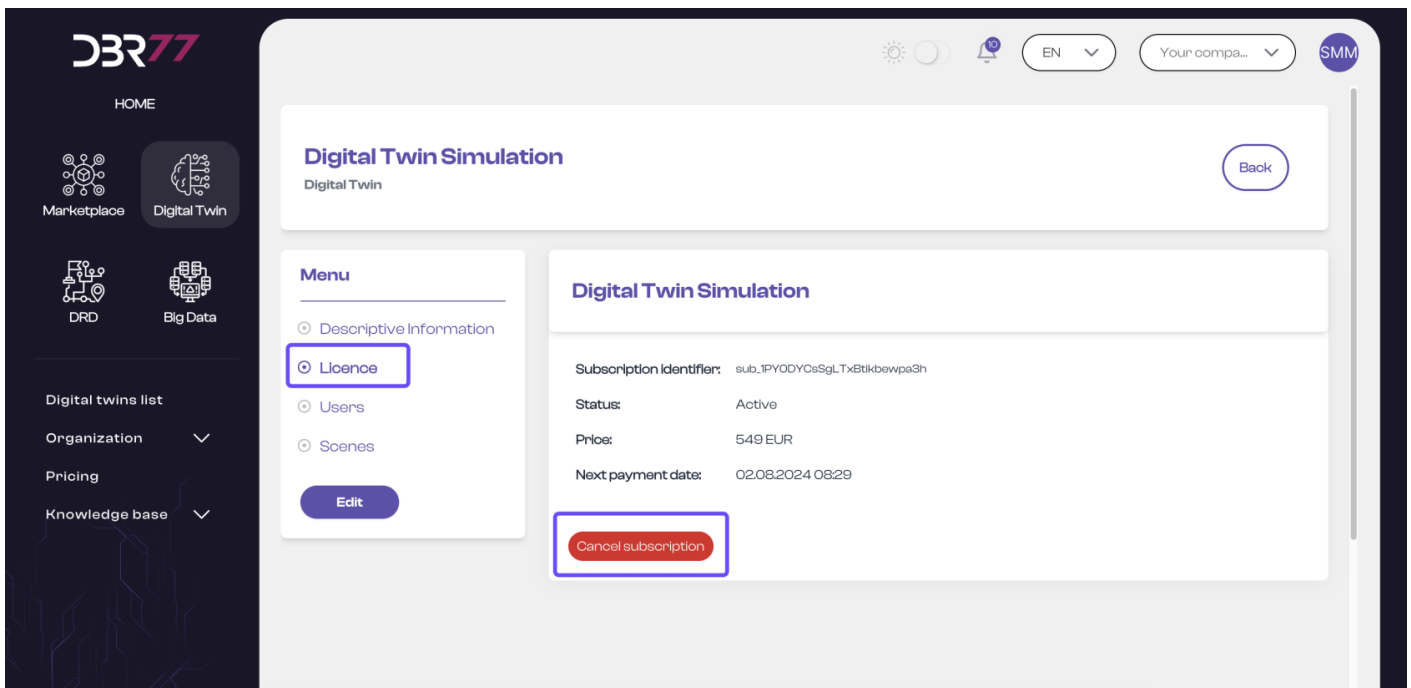

Descriptive Information

- Assign a custom name to the Digital Twin and add a description that outlines the project's objective or project team, for example.

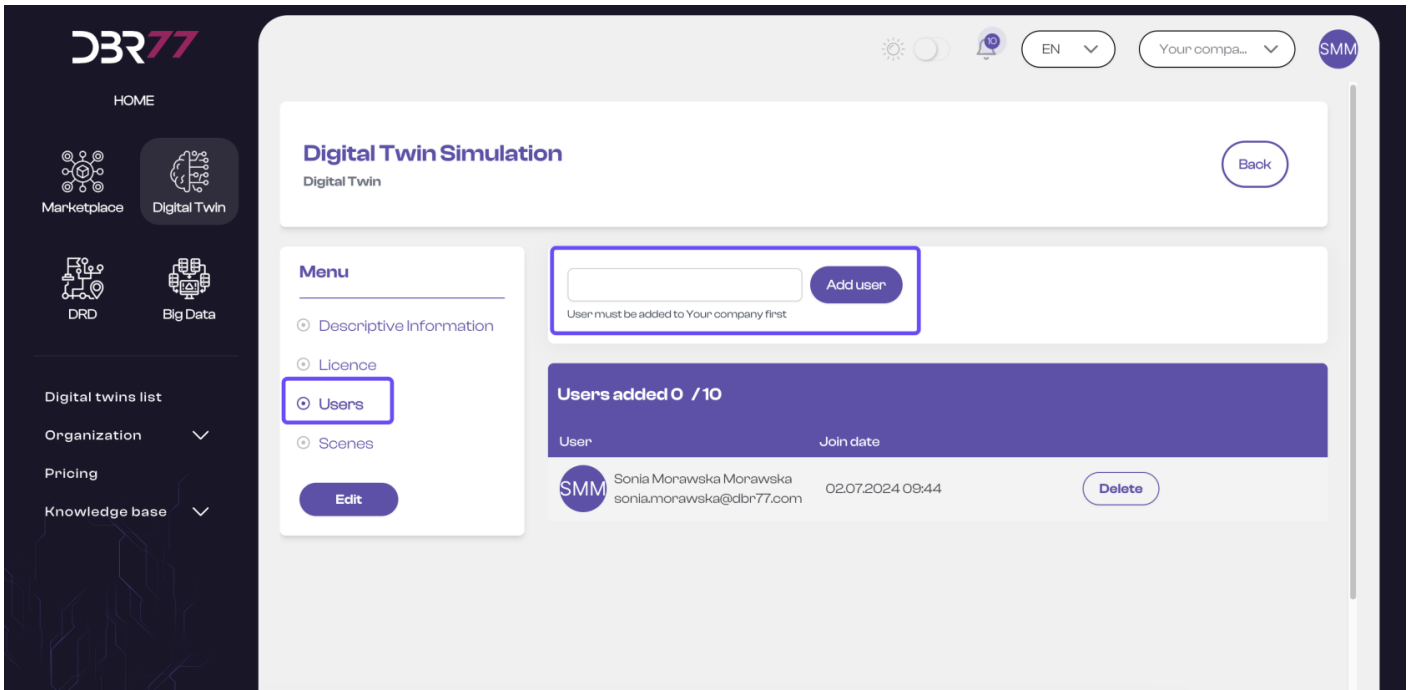

License

- Here, you will find information about the acquired license and can cancel or reactivate the subscription as needed.

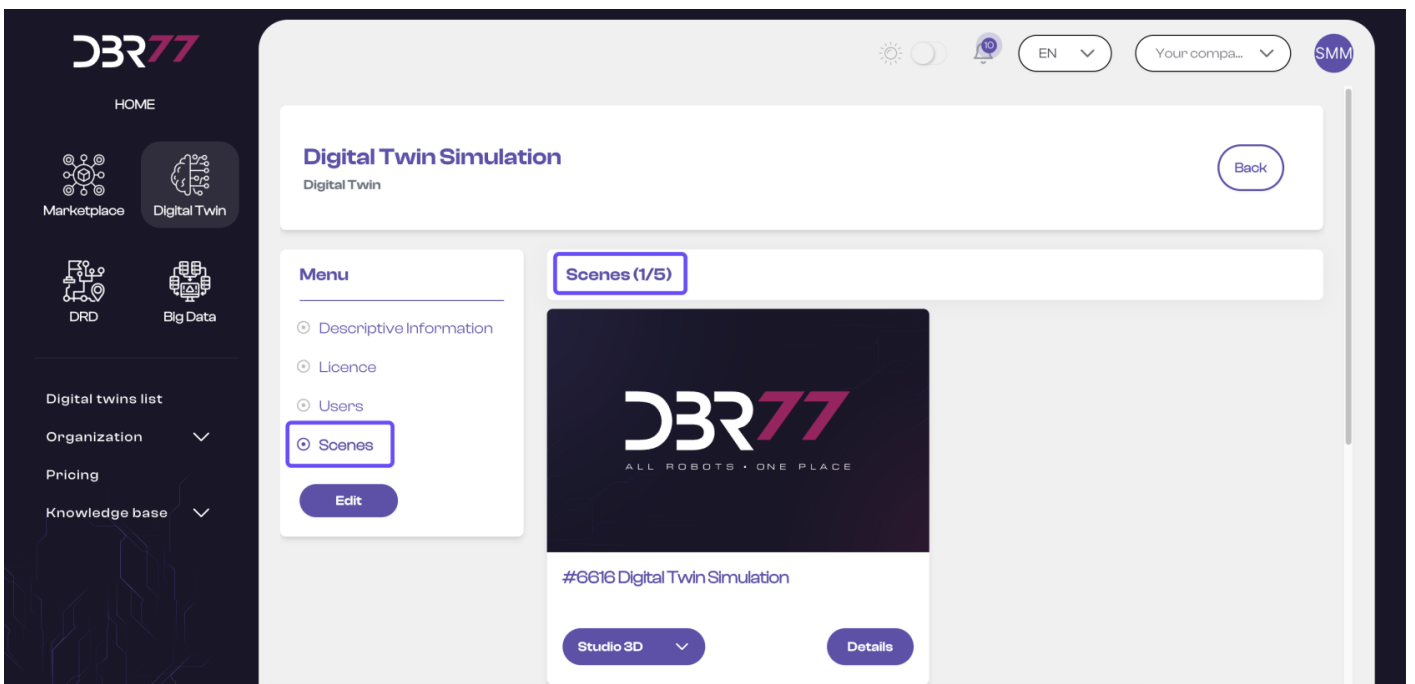

Users

- A section where you can add users to your Digital Twin. Each user requiring access must first be added to the organization through which the subscription was purchased.

Scenes

- A list of scenes included in the subscription.
