Standard Registration

Standard Registration Guide for the DBR77 Platform

Open the Registration Page:

- Go to the homepage at DBR77.com.
- Click on the “Platform” button in the upper right corner.
- You will be redirected to the login page.
- Click on the “Register” button..

Select Account Type:

On the registration page, select the account type that matches your role and needs:

- **Production Company** – For employees representing a production company looking for tailored technological solutions.
- **Integrator** – For employees of integration companies specializing in robotics and automation implementation.

- **Technology Provider** – For employees representing technology suppliers aiming to showcase products to potential customers.
- **Student** – For students who wish to gain practical experience using the platform’s 3D design tools

Enter Company Information:

Entering company information is necessary to fully access the DBR77 platform's tools, especially for formal proposal submissions.

If your company is not yet registered on the platform:

- Enter your company's tax ID (e.g., VAT ID).
- The remaining details will auto-populate from the platform's database. Verify and confirm accuracy.
- If auto-fill is unavailable, manually enter:
 - Company name
 - Address (street, city, postal code, country)
 - Company phone number

The screenshot shows the DBR77 registration interface. At the top, the DBR77 logo is on the left, and a language dropdown set to 'EN' is on the right. Below the header, four progress indicators are shown: 'Basic data*' (checked), 'Your photo' (checked), 'Company*' (active), and 'Consents & Terms*' (not checked). A 'Register as Supplier' link is centered below these indicators. The main heading is 'Company', followed by a subtext: 'To access the full functionality of the platform, please complete the company data where you work. Simply fill in one of the three pieces of information, and the remaining data will be automatically filled!'. Two buttons are presented: 'I want to register a new company.' (highlighted with a red box) and 'My company already exists on the platform.'. At the bottom left is a 'Previous' button and at the bottom right is a 'Next' button.

This screenshot shows the same registration page but for an existing company. The 'Company*' progress indicator is active. The 'I want to register a new company.' button is now blue, while 'My company already exists on the platform.' is white. The form fields are populated with the following data:

Company name	DBR 77 ROBOTICS SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ	
Country	Poland	
VAT ID Number	8792725331	Search
REGON	387073039	Search by REGON
KRS		Search by KRS
Street	ul. Żółkiewskiego	Street number
		31
Flat number		City
		Toruń
Post code	87-100	Province
		KUJAWSKO-POMORSKIE
Phone	+1234567654	Company email address
		ala@ala.pl

The 'Previous' and 'Next' buttons remain at the bottom corners.

If your company is already registered:

- Search using the company's tax ID (e.g., VAT ID).
- Verify and confirm the auto-filled information.

The screenshot shows the 'Company' registration step on the DBR77 platform. At the top, the DBR77 logo is on the left, and a language dropdown set to 'EN' is on the right. Below the header, four progress indicators with green checkmarks are shown: 'Basic data*', 'Your photo', 'Company*', and 'Consents & Terms*'. A link 'Register as Supplier' is centered below these. The main heading is 'Company'. Below it, a note states: 'To access the full functionality of the platform, please complete the company data where you work. Simply fill in one of the three pieces of information, and the remaining data will be automatically filled!'. Two buttons are present: 'I want to register a new company.' and 'My company already exists on the platform.' The form below has three input fields: the first contains 'DBR 77 ROBOTICS SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ', the second has a Poland flag and a dropdown arrow, the third contains '8792725331'. To the right of the third field is a 'Search' button. Below this, there are two more input fields: one with '387073039' and a 'Search by REGION' button, and another with 'KRS' and a 'Search by KRS' button. At the bottom left is a 'Previous' button and at the bottom right is a 'Next' button.

Important Information:

Organization Assignment:

- Selecting an existing company assigns you to both your own organization and the one you designated in the form.
- Full access to the other organization's tools requires approval from an admin account holder who can grant you the necessary permissions.

Accept Terms of Use and Privacy Policy:

- Carefully read the platform's Terms of Use and Privacy Policy.
- Check the box to confirm your acceptance.

The screenshot shows the DBR77 registration interface. At the top, the DBR77 logo is on the left, and a language dropdown menu set to 'EN' is on the right. Below the logo is a progress bar with four steps: 'Basic data*' (green checkmark), 'Your photo' (green checkmark), 'Company*' (green checkmark), and 'Consents & Terms*' (purple icon). Below the progress bar is a link that says 'Register as Supplier'. The main heading is 'Consents & Terms' with the subtext 'Acceptance required'. Below this, there are three checkboxes, all of which are checked: 'Accept terms: privacy policy.', 'I accept terms of service: Services on the DBR77.com platform.', and 'I accept price list of services'. At the bottom left is a 'Previous' button, and at the bottom right is a 'Sing Up' button.

Complete the Registration:

- Click on “Register.”

This screenshot is identical to the one above, showing the DBR77 registration progress bar and the 'Consents & Terms' section. The progress bar shows 'Basic data*', 'Your photo', and 'Company*' as completed, and 'Consents & Terms*' as the current step. The 'Consents & Terms' section has three checked checkboxes: 'Accept terms: privacy policy.', 'I accept terms of service: Services on the DBR77.com platform.', and 'I accept price list of services'. The 'Sing Up' button at the bottom right is highlighted with a red rectangular border.

Confirm Registration:

- Check your email inbox for a message from DBR77.
- Click on the activation link to confirm your email address and activate your account.

Congratulations!

You are now a registered user of the DBR77 platform and can utilize its features to support the digitalization, automation, and robotization of your production company.

After confirming your registration, return to the DBR77.com homepage.

- Click the “Sign In” button.
- Enter your email address and password, then click “Sign In.”

Complete Your Profile:

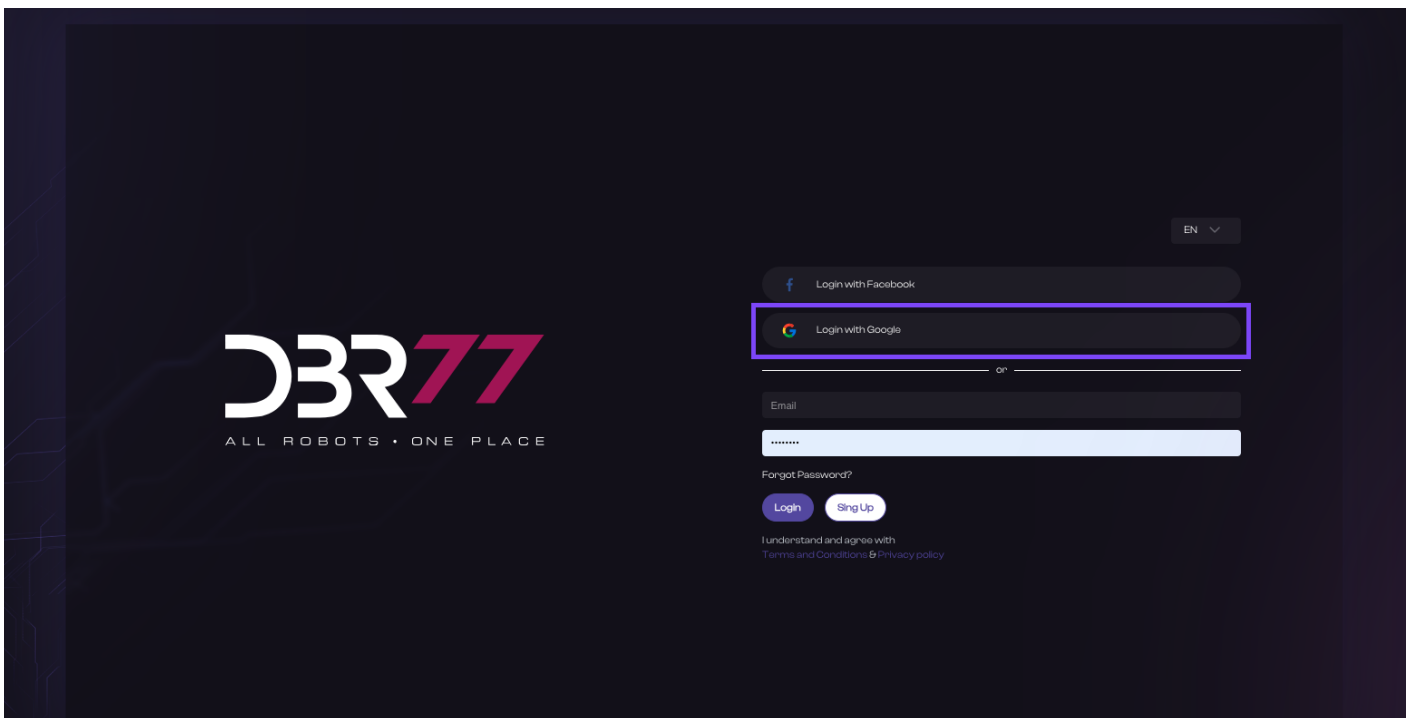

After your first login, navigate to the “Profile” section and add any additional information that may be required to fully access the platform's features.

Google

Instructions for Registering with a Google Account on the DBR77 Platform

Open the Registration Page:

- Go to the DBR77.com homepage.
- Click the “Platform” button in the upper right corner.
- You will be redirected to the login page.
- Click the “Sign in with Google” button.

Automatic Redirect:

- After selecting registration with Google, you will be automatically redirected and signed in to the DBR77 platform. Next, you must select your user account type.

Select the Account Type:

On the registration page, select the account type that fits your role and needs:

- **Production Company** – Account for employees representing a production company.
Application: Users of this account type look for technological solutions tailored to the needs of their production facility.
- **Integrator** – Account for employees representing an integration company.
Application: They specialize in implementing robotics and automation processes. Users of this account type aim to develop solutions meeting customer requirements.
- **Technology Provider** – Account for employees representing a technology provider.
Application: Users of this account type want to present their products and solutions to potential customers on the platform.
- **Student** – Account for students. Users of this account type want to acquire practical knowledge using the 3D design tools available on the platform.

Important Information:

Organization Assignment:

- When you select an existing company on the platform, you will be assigned to two organizations: your own and the one you indicated in the form.
- However, simply stating affiliation is not sufficient for full access to the tools of the other organization. Full access becomes available only once an admin account holder accepts you as a member of the organization and grants you the appropriate permissions.
- If you have questions that our AI assistant cannot answer, feel free to email us at contact@dbr77.com.
- Click the “Next” button.

Accept Terms of Use and Privacy Policy:

- Carefully read the platform's Terms of Use and Privacy Policy.
- Check the box to confirm that you accept the terms and privacy policy.

Save Changes:

- Click the “Save” button.

Registration Confirmation:

- A success message will appear on the screen, and the user will be automatically logged into the DBR77 platform.

Congratulations!

You are now a registered user of the DBR77 platform and can use its features to support the digitalization, automation, and robotization of your production company.
