Menu

Instructions for Navigating the Menu on the DBR77 Platform

Go to the homepage at DBR77.com, open your browser, and log into your account.

Location of Products:

In the upper left corner of the screen, under the DBR77 logo, you'll find the Product menu.
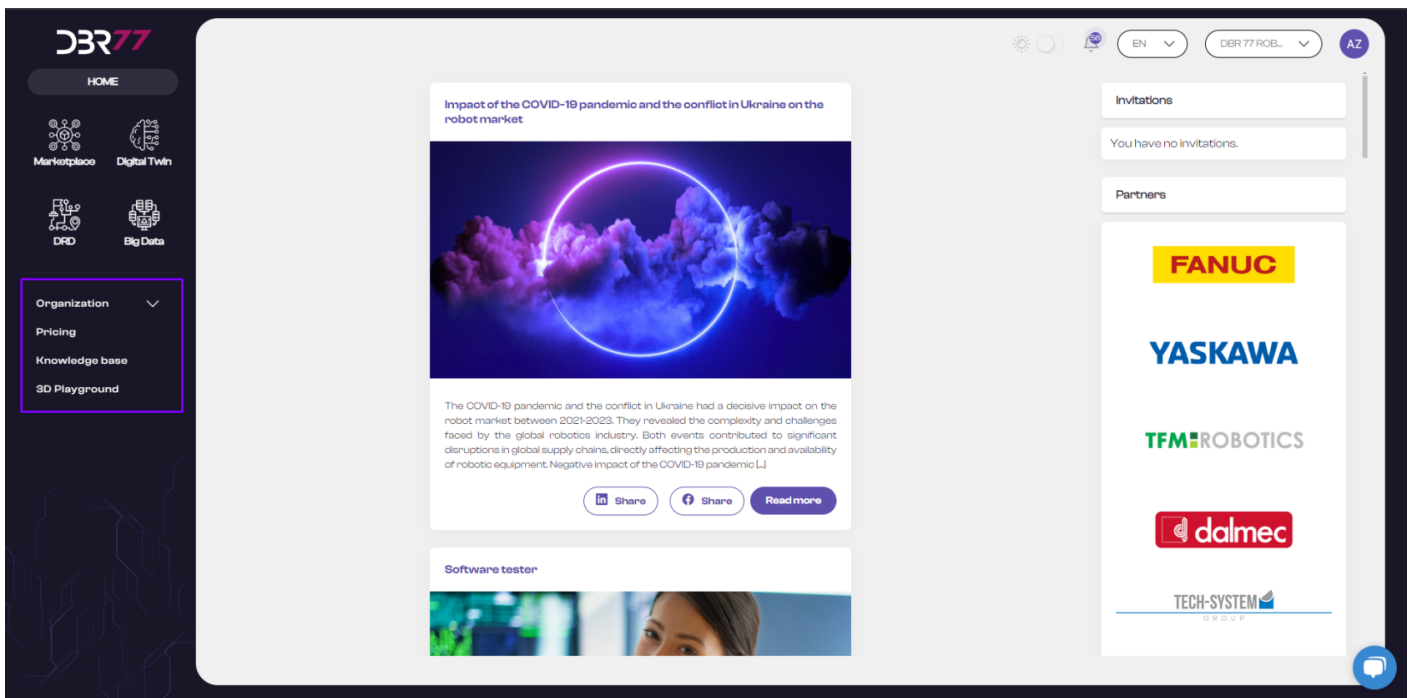

Product Menu Overview:

The menu contains standard options as well as variable elements, depending on the selected product.

On the DBR77 platform, you have access to four main products:

- **Marketplace**: A section where you can post requests for automation implementations for your production company and offer various solutions and tools tailored to the manufacturing industry.
- **Digital Twin**: A tool that creates virtual replicas of physical production processes, enabling simulation, analysis, and optimization.
- **Big Data**: A cloud-based method for collecting, validating, and visualizing data on production and logistics processes.
- **DRD (Digital Roadmap)**: A digital roadmap from DBR77, providing a long-term plan covering all essential organizational aspects.

Standard Options:

- **Organization**: Access information about the organization, users, and subscriptions.
- **Pricing**: View the pricing list for DBR77 platform products.
- **Knowledge Base**: Access information, manuals, and updates on the platform and its features.
- **3D Playground:** Access the 3D Studio environment.

Variable Elements (Depending on Selected Product):

- **Marketplace**:
  - Challenges: Customer requests for integrators.
  - Solutions: Automation and robotics solutions in response to requests.
  - Offers: Offers created for accepted solutions.
  - Projects: Active projects in the implementation phase following offer acceptance.
  - Teams: Ability to create teams for projects.
- **Digital Twin:**
  - List of Twins: Available digital twin scenes, based on subscription choices.
- **DRD (Digital Rapid Deployment):**
  - Development Map
  - Digital Pathfinder
  - Teams
- **Big Data**

Now you know how to navigate through the menu on the DBR77 platform!
